

OSA 1363-63

12 March 1963

MEMORANDUM FOR: Chief, ELINT, Development Branch, RDD/OEL

THROUGH : Assistant Director for ELINT

SUBJECT : Technical Inspection Reports

25X1

25X1

25X1

1. Technical inspection reports are required on the [redacted] and [redacted] projects before the contractors in each case can be paid for their claims. The attached letter requests such reports on the [redacted] contract. Since these projects now are the responsibility of the Office of ELINT, it is requested that your project managers complete these reports.

2. Inspection Report Form 1897 may be used and forwarded to the Office of Logistics, Procurement Division, Contracts Branch, Room 1828, Quarters Eye. The name of the project monitor should be furnished to the Office of Logistics.
